## MEMBERSHIP INFORMATION & FORM

Kingdom Come  Scenic Parkway

The cities of Cumberland, Benham and Lynch have undergone many changes in the past few decades; from a coal booming industry area to near despair and now a thriving tourist attraction.

In an effort to maintain and elevate the dignity of our three historic downtowns, Tri-Cities Main Street wants you to be involved in educating the public on the history of our downtowns, preserve and restore the once thriving buildings in our commercial districts and help promote these districts within our communities. We want the public to enjoy living, walking, shopping and entertainment in our downtown districts once again. You can help achieve these goals by becoming a Tri-Cities Main Street Member. Please read more inside for details.
